**Messiah Lutheran School:
People of Character
Now Enrolling, Make the Leap
To Christian Education**

Messiah Lutheran School has deep-rooted history in the community, fostering character and intellectual curiosity in its youngest members. We believe who children are is just as important as what they learn. While academic achievement is a priority for most educators, Messiah teaches more than reading, writing, and arithmetic. Our caring staff grows good character, dedicating themselves to a child's formative years—preschool through grade 5—to nurture positive traits like compassion, generosity, and kindness. Messiah Lutheran School gives children the wisdom, attention, and care they need to thrive now and in the future. We blend Christian values and service into our curriculum so students leave campus ready to lead meaningful lives of purpose. We aren't just Trailblazers. We're people of character.

Are you looking to send your child to a safe, convenient, and values-based school? Schedule a tour with Admission's Coordinator Janice Snyder (jsnyder@messiahfp.org) and Come Home To Messiah, where Christian Education is more affordable than ever! Sunday School Update

Messiah's Sunday School had their last meeting for the year this past Sunday, May 5. The program will be on pause for the summer and return in the fall. Allison Younger-Waugaman is stepping away from leading the Sunday School program to focus on finishing her studies to become a practicing attorney and study for the Bar Exam.

We are looking for a new facilitator; if you feel called to step up and lead this program please reach out to Allison at 440-525-3350 or email allisonkyoung-er@gmail.com. There is a room, curriculums to follow and plenty of supplies and other materials that are available to the next teacher.
